

May 17, 2003

Dear Friends,

Since our last update, God has continued to give fruit at Independent Baptist Church of Georgetown. On Sunday, March 7, Ting Cotter became the first person baptized at Independent Baptist Church. It was an exciting evening for our church members and a nervous evening for a pastor who had never baptized anyone. As always, God proved Himself faithful, and all went well. Ting has since moved to Encinitas, California where we are praying she gets settled in a good church and becomes grounded in God's Word.

From March 22 to March 25, a group of eight from God's Way Baptist Church in Troy, Alabama visited us. While they were here, three people were saved on the street, and we passed out almost 2,000 John and Romans. We thank these special individuals for their willingness to travel such a long distance to assist with our evangelization efforts, and we look forward to reporting on additional fruit from their efforts in weeks and months to come.

Easter Sunday also proved to be an exciting day for the church. With 27 in attendance (our highest Sunday morning attendance to date) two visitors from Tennessee accepted Jesus Christ as their Saviour. Praise God for the faithful prayers and witness of their family, the Webb's, who are current members of our church.

On April 21, Josh Gros became the newest member of our church. Josh is a recent graduate of Rutgers University, and he came recommended from one of our supporting churches, Somerset Bible Baptist Church in Somerset, New Jersey. Josh has a desire to help start Bible studies with the university students in our area, and we are excited God sent him our way.

In addition to the above, we have seen two more people saved, a woman named Danielle (vacationing from London) and a young man named Frank. We are also regularly visited by three women who live near The Lab School; a couple from Rosslyn, Virginia (across the river from Georgetown); and a woman and her daughter who live in Arlington, Virginia. Most recently, we were visited by a woman and her two sons who received a John and Romans on their door almost eight months ago!

Whether it is seeing people saved, baptized, or disciplined; we are praying God will continue to bless Independent Baptist with spiritual fruit. Thank you for your continued prayers and support as we move forward for the Lord.

In Christ,

*Rodney A. Moye*

Pastor
